

We'll watch our systems, so you can watch your business

So you can budget your time and your money
on making your business grow,
we will repair or replace (our choice),
any system component that
fails due to a manufacturing
defect during the first 5 years
for a flat price of \$59
per incident.

This extended warranty
does not cover normal
wear and tear;
operating supplies,
abuse, misuse,
neglect, vandalism
or Acts of God.

Factory labor is
covered but
freight and field
labor is not
included.
